

Award in Drugathon

The Department of Pharmacology, in collaboration with the Department of Medicine, Maharashtra Post Graduate Institute of Medical Education and Research (MPGIMER), Maharashtra University of Health Sciences (MUHS), Nashik, had success-

fully organised Drugathon 2026 the institute's first Interdepartmental Postgraduate Quiz on Rational Pharmaco-therapy and Evidence-Based Therapeutics.

Postgraduate residents from the Departments of Medicine, Anaesthesiology, Obstetrics and Gynaecology, Ophthalmology and ENT competed in multiple rounds featuring clinical case scenarios, rational prescribing, adverse drug reactions, drug interactions, emergency pharmacotherapy, pharmacovigilance and current treatment guidelines. The competition emphasised the practical application of pharmacological principles in day-to-day patient care.

After an exciting final, the Department of Obstetrics and Gynaecology secured the First Runner-up position The Department of Obstetrics & Gynaecology was represented by three Second-Year Junior Residents under the guidance of the head of the department— Dr. Priyanka Pandya, Dr. Prachi Harode and Dr. Saswati Panda. Through their coordinated effort, clinical acumen and strong subject knowledge, the team delivered an excellent performance.
