

## **World Emergency Medicine Day Celebration**

World Emergency Medicine Day is celebrated on 27<sup>th</sup> May every year. Theme for 2025 was **‘PROUD TO PROVIDE YOUR EMERGENCY CARE’** which emphasizes on hard work, dedication and commitment of an Emergency Physician.

The department of Emergency Medicine at GMC MPGIMER MUHS Nasik started the day with creating public awareness about various common emergencies such as poisoning, snake bite, myocardial infarction, stroke. Talk was conducted by the residents of Emergency Medicine department for the relatives.

It was an excellent opportunity where all the members of the department including Professor and HOD, Dr Suhasini Sonavdekar, Associate Professor, Dr Sameer Chandratre, Senior Resident, Dr Harsh Chaudhari and all residents of the department stood tall and created an impact of Emergency Medicine.

The event was followed by a **CME at KIMS Manavta Hospital, Nasik**.

The Emergency Medicine department of GMC MPGIMER MUHS Nasik was invited to be a part of the event where an educational talk was delivered by Professor and HOD,

Dr Suhasini Sonavdekar about ‘The Science of Triaging’.

Towards the end of the program, there was a quiz where Dr Shubhi Bhatnagar and Dr Umesh Parihar stood amongst the top three. It was an excellent educational event.

The event concluded with another CME which was organised by the **‘Association of Physicians, Nasik’** where a talk was delivered by Dr Sameer Chandratre about ‘Hypertensive Emergencies’ and also by Dr Suhasini Sonavdekar about ‘Past, present and future of Emergency Medicine’.

This was followed by the felicitation of all faculty members and all the residents of the department.

The World Emergency Medicine Day was celebrated in high spirits.

In chaos, we find purpose. This is for the **‘unsung heroes’** who always run for an emergency 24\*7\*365 and never away from it.

**WE ARE PROUD TO BE EMERGENCY PHYSICIANS !!!**
